

Commissioner's message – P.V.Ramalingeswar

I am immensely pleased to present this month's e-News letter. This Newsletter will highlight the activities carried out by the Municipality from time to time. It will give a detail about the ongoing projects of the municipality.

It is our collective endeavour to excel in all areas of the activities of the town. With the help of active co-operation from its citizens, this Municipality has always tried its best for effective delivery of services in the field of water, sanitation, drainage, road, health, etc. and also better governance.

Our Municipal Vision is in tune with the socio-economic development in the Municipal area as well as the Infrastructure & Environment Development within it, so that we are able to provide an enhanced & better governed Municipal service to all the residents of our Municipality.

Chairperson's message – Smt.K.Sarojamma

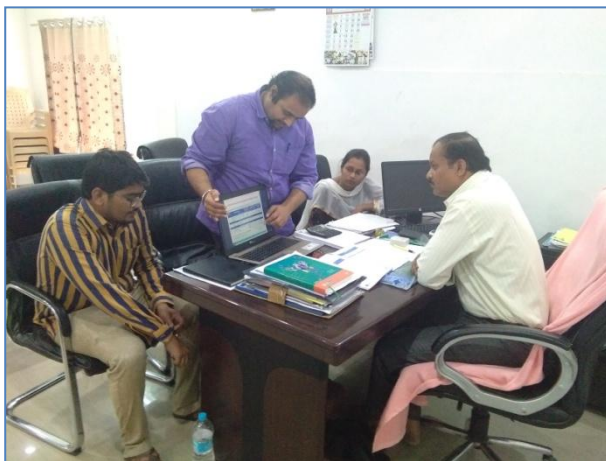

It is heartening to note that the Municipality is bringing out a monthly news letter. The mission of Adoni Municipality is to promote strong and effective democratic local self government throughout the town through promoting unity and cooperation among the residents.

The Adoni Municipality is striving to provide basic infrastructure facilities to the residents of the town. This news letter will serve as a medium of interaction amongst expert practitioners, officials, political representatives and residence of the town. Thank you for your dedication in ensuring the quality of life of our town.

Energy audit of Adoni Water supply scheme

Energy audit of Adoni Water Supply Scheme approved by APUFIDC was submitted by SGI, Pune. The Investment Grade Energy Audit Report briefed various things like overview of Adoni Water Supply Scheme, energy conservation methods, estimates for energy conservation and improvements etc. Various findings, Observations, suggestions and Cost benefit analysis were included in the report. Discussions with Commissioner, Municipal engineer, DEE, along with CMMU team. The entire key points were discussed and considered the points raised by commissioner and municipal engineer. All the pump sets and motors to be replaced are clearly suggested and also mentioned in the report submitted.

Every Sunday-HAPPY

Adoni Municipality organised Happy Sunday and Ananda Lahari every week in the month of February at various locations. The first happy Sunday was at municipal grounds, Second one at Nehru Municipal Park, third one at Pyramid compound and the last happy Sunday of the month at NMHS grounds. Municipal commissioner, Municipal engineer were the guests of the event. Artists from Department of language and culture performed various activities like burrakatha, folk songs, magic show entertained the public. A part from these students from various institutions performed classical and western dances, games like musical chairs; sac race, skipping etc were also conducted where students enjoyed a lot. Later prizes were distributed to the winners in the presence of Municipal Commissioner. Also Adoni Municipality is planning more to take this happy Sunday to nook and corner of the ULB.

Children Park AMRUT 2015-16

AMRUT Children Park for the year 2015-16 has taken a shape. Two parks for the first year of AMRUT were APHB and NGO colony parks. Construction of Compound wall, gazebo and tree plantation completed in both the parks where as children play equipment has to be arranged in both the parks.
