The Greater Visakhapatnam Municipal Corporation (GVMC) is in process of framing a **"Comprehensive Sewerage Project for Madhurawada."** This vital infrastructure project aims to develop a modern and efficient sewerage network to serve the rapidly growing needs of the Madhurawada region.

The preliminary scope of the project includes, but is not limited to:

- Laying of sewer network and provision of House service connections in the project.
- Construction of Sewage Pumping Stations/ Lift Stations.
- Construction of a state-of-the-art Sewage Treatment Plant (STP).

We believe that the insights and expertise of experienced contractors like you are invaluable. To foster a collaborative approach for successful and efficient execution of the project in a timebound manner, we are convening a consultation meeting. The primary objective of this meeting is to solicit your valuable feedback, and suggestions on the project. GVMC reserves the right to accept or reject suggestions without assigning any reasons, and does not have any bearing on the suggested inputs.

The meeting is proposed on **Friday, 4th July 2025, 11:30 AM** at **Old Council Hall, Greater Visakhapatnam Municipal Corporation**, Tanneti Bhavan, Ram Nagar, Visakhapatnam. Mr. CH. Yeddukondalu (EE) Mobile: 9848308827 & Mr. Vivek Dudhe (AVP) 9108517664 will be meeting coordinator.

The **agenda** for the meeting will be:

1. Welcome Address and Project Introduction.
2. Presentation on the project.
3. Open Discussion and Feedback Session.

We look forward to your presence and constructive contribution to this important project.

Yours faithfully,

For Commissioner
Greater Visakhapatnam
Municipal Corporation
