EXPRESSION OF INTEREST (EoI)

Expression of Interest (EoI) for setting up State Capacity Building & Information Education Behaviour Change Communication Mission Management Unit (SCIMMU)

*****

1. INTRODUCTION:

Solid Waste Management is an activity in which volunteerism and public participation are the keys to success, it is not only the technology but public attitude and behaviour that are going to make the positive difference.

The MA&UD Government of AP has issued uniform guidelines in the form of a GO (G.O.279) for Work Outsourcing in MSWM to ensure better service delivery and compliance to SWM Rules 2016 and NGT guidelines.

The implementation of the above needs to be in synchronization with Comprehensive Capacity Building of the Service Providers which is further linked inseparably with Behaviour Change Communication for the citizens of 110 ULBs, through widespread IEC activities.

Traditionally IEC has been limited to awareness generation for a brief period through audio-visual materials, distribution of pamphlets, rallies, meetings etc, throughout the country. It is proven that the investment made in IEC has not given the desired results in changing the mindsets of people.

It is the key reason for Swachh Bharat Mission to earmark 5% for Capacity Building and 15% on Public Awareness & IEC activities of the total central allocation to ensure that the SBM goals are met.

For the first time in the country, MA&UD department, GoAP is envisaging a model for sustained and result oriented IEBC activities coupled with capacity building as they go hand-in-hand to ensure change management.
MA&UD has released a GO.Rt.No.507 dt.05.08.2016 to constitute a committee with the following members:
